MAGHULL EAST WARD

Maghull East Ward has 5 seats on the Council - its boundaries are in the east of the Sefton Borough Ward of Sudell.

Maghull contains 10 listed buildings including Chapel House Farm, Maghull Chapel & St Andrews Church. The graveyard contains the grave of famous businessman, MP and toymaker Frank Hornby. Mr Hornby was also a founder member of Maghull & District

Conservative Club that was established in 1912.

The area around Maghull Station in Maghull East Ward was historically known as Kennesee Green, in the 1890s and into the early 1900's it was larger than Maghull itself. Sadly there is no signage to mark the historic boundaries - perhaps something for Maghull Town Council to think about. We must conserve our local history and heritage.

LOCAL CONSERVATIVES 5 POINT PLAN FOR ACROSS SEFTON

- 1 Education and Children's Services.**
- 2 The Environment** - greenbelt, heritage, parks & coastline.

- 4 Health and Social Care** - the ageing population & well-being.
- 5 Town Centres** - We will champion Maghull Town centre for investment off Sefton MBC and Liverpool City Region Combined Authority.
